And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. I apologize for the tickle from the channel's nose. Hopefully we can clear that or a sneeze will clear it. We'll see.

Alright. So we've made it through elections in the US. There's quite a bit of energy build up that brings anger to the surface. The cats are having a spat in the background. One moment. (Sneeze). Pardon for that interruption.

Vibrationally, we're at a time when it's quite important for humanity to unite and resolve issues and yet what we're observing instead is dividing and rebelling. So this is a call, really to everyone, find ways to unite and resolve.

A time when we're going to see things revealed, truth revealed; we're in revelations. However (pardon, seasonal allergies) we're going to see this tendency to want to lock horns but it's the worst thing that you could do at this point in time.

I'm hoping all those states in the USA that say they want to secede or nullify or whatever, really just start working together as one greater whole and then same with other regions, the Middle East and what not, it's time to bring peace to the table.

Of course, all that starts within you and then voicing your desire to do the same in the world. We're working with Scorpio and Mind Healing, we can kind of bring everything down to the I statement.

"I resolve issues."

"I unite with humanity."

Work with those kinds of things, that will help.

As always, thank you and my love to you.
