And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We have quite an interesting series of things going on. We have Jupiter going retrograde for eight or nine months. We have Mercury going direct and then we have Neptune also going direct, all in a one week time period.

We also have more solar activity and more planetary activity and then on the inner planes, quite a bit of contemplation about Armageddon, to go there or not go there.

So my reminder to you is that it is about choice and when we have so many things sort of stirring the heavens if you will, and stirring the emotional bodies of humanity, then it is important really to continue to cleanse yourself.

Release the emotions; don't hold them within.

Continue to go with the flow of Creation, continue to choose grace and ease, peace and harmony, all of those kinds of things.

And when your dreams are showing you maybe darker alternate reality playing out or something, when you awaken, or if you can lucidly during the dream, just say "No thanks. I refuse to play. I choose grace and ease."

So essentially humanity is poised once again to choose a little more heaven manifest on earth or a little more of the opposite manifest on earth. So choose wisely and I think that you will do well during this time period.

Alright Dear Ones. As always, thank you and my love to you.
