And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

I’m going to spend a moment getting a little deeper into the channel so I can really project some adequate energy for healing. As you might know, everything that I do carries a healing transmission with it that is highly personalized.

This week we are going to be doing a Tele-seminar called "[Support From Within](#)" and because there is just what I would call a whole lot of cosmic shaking up going on that it is important to feel that no matter where life is taking you, you can trust in yourself.

So calling from within your own higher power and just kind of call it forth. Let it just kind of billow from the body and then maybe calling in the support of the angels, the Masters. I'm particularly fond of Three Star One and you can find that invocation in the glossary on the website if you want to: [www.terrinelyon.com](http://www.terrinelyon.com) and then scroll way down to the bottom and look for "[Glossary](#)". You'll find probably some more things there of interest to you including a Great Invocation and some definitions on who the Masters are.

So you want to really trust in self and trust that you are eternal spirit and that support is really an inside job, coming from within, not something you rely upon to feel externally or be provided to you by someone else.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
