And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. I just need to get a little deeper into the channel here today. We've got a lot going on cosmically, a lot of storm kind of debris, interference, satellite glitches. We actually record this a day before so, well sometimes a week before, which will be the case for next week's, because [Wesak](#) will be in Santa Barbara this year here in person. It is sold out but we do have a [Tele-Seminar](#) which we'll do next Thursday so if you'd like to sign up for that on the website, you can do so.

This week what we have is Mars and Pluto going retrograde and quite a bit of fire coming up. I am particularly concerned about the Mars retrograde and what it does to the masculine aspect and

particularly so if there is a tendency to bully through something. This is really going to kind of ignite that. So as lightworkers we want to bring in more feminine light, Divine Feminine nurturing Love energy. So that's your main focus for this week.

And then of course, we're building up towards the Wesak Full Moon which occurs, we'll celebrate by Tele-Seminar, on April 21 and then April 22 is when you are going to have the exact configuration, which is also Earth Day. So that will be our next Spirituality Article.

As always, thank you and my love to you.
