Djwhal Khul here. Tashi Delek.

Alright. This week we have Mercury direct and the Moon building toward the Full Moon for Wesak.

Now the Wesak Moon is always full in the month of May and in the sign of Scorpio which is a very potent and healing moon. It's also of course, a World Service call to really step a little deeper into world service of some kind.

This year 2017 adds up to a 1 so it's new beginnings or begin again and if you would like to join us for the [Wesak ceremony](#), we will be doing that by telephone conference which you can be on live and listen to later or just listen to later. The Celebration this year will be different from previous years.

So at this point in time, Mercury is still a little muddled even though it is direct but we're working with kind of pulling out and refining communications so that they come from a service center, from your heart and from a sense of service.

Alright Dear Ones. As always, thank you and my love to you.
