And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This week I want to bring up Mars going direct in Libra which happens on Monday. There is still quite a bit of things sort of flushing out in terms of masculine energies, aggressive behaviors, war-like behavior or literally war, and I'll say also just a natural falling away of things that aren't working.

Sorry the voice is coming and going here. Mostly allergies, which is somehow affecting everyone in the area.

So with your Mars energies, what you want to do is balance it out by bringing in more feminine, more Divine Love, radiating Love. Even if you need to use an assertive tone, add Love to it. Make Love the predominant vibration.

And I think for a lot of people, you could use the [Second Ray](#) which is Love Wisdom. It brings the head and the heart together a little more completely. So you can pull upon that beautiful blue Second Ray energy and literally see your head so to speak or your mind, the brain, sort of sinking down the body and resting in the heart so you're kind of coming from the heart first, mind second.

Alright Dear Ones. As always, thank you and my love to you.

About Reverend Terri:

Terri Newlon is a world renowned spiritual teacher and conscious voice channel for Ascended Master Djwhal Khul. Djwhal Khul has worked through numerous channels, including Madam H.P. Blavatsky and Alice A. Bailey, and is well known to spiritual students. His work through Terri began in 1980 when she studied under Janet McClure and The Tibetan Foundation, Inc., and has resulted in an extensive online global support system of practical spiritual teachings.

She is also a gifted Health Empath and has trained thousands of mediums and psychics. One of her specialties is instructing other natural sensitives how to turn on and off their abilities so they can live well-balanced lives, without neglecting their own physical, emotional, mental and spiritual requirements.
