And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We're going to work with the energies that are up now and that is the warrior mode. It's kind of a strong Mars energy and it could use quite a bit of tempering by channeling Divine Love. So we actually want to counterbalance it. For example the dog barking in the background needs to be counterbalanced with kind of a soft loving energy.

So you'll find that tempers flare more easily, arguments get heated quickly, that sort of thing during this week and as much as you can, just avoid conflict. Say something like "I choose peace" or "I create peace" or "I exude Divine Love." That sort of thing will help balance that warrior mode that is up for everyone.

Alright Dear Ones. Thank you and my love to you.
