Djwhal Khul here. Tashi Delek.

Alright. Well we have Fall Equinox approaching, Saturn direct which affects karma and some other events that I see affecting both action, reaction, cause and effect, and also the way in which the brain is wired and the chemical impulses along with the emotional impact.

So this week I want to talk about intention and how intention means *everything* in the consciousness. So even if you are practicing kindness but there is a little sub-thought that kind of wishes some harm or whatever it is, into the mix. So in other words, if you yourself have mixed signals within your consciousness then your intentions are getting mixed up and more than likely during this time period, the harmful intentions are the ones that are going to manifest. We are seeing this with people just sort of snapping mentally and emotionally.

I want to go to the emotional core also and invite you to literally conjure up happiness, joy, glee, whatever you possibly can within your consciousness because the emotional energy that you are wearing will take over the mental mishaps if you will.

So Intention: I choose Joy, I choose happiness, and (exhale) *feel* the Joy, *embody* it. Let it take over your *body* if you will and then claim "I am Joy".

Alright Dear Ones. As always, thank you and my love to you.
